Nonoccupational Disability Fact Sheet

Disability and Social Security Benefits

You may be eligible for Social Security (SS) disability benefits if your disability lasts more than 12 months. SERS contracts with a firm specializing in assisting members through the SS disability application process.

If your case is not accepted by the firm and you remain disabled for more than 12 months, you must directly apply for SS disability benefits to the Social Security Administration (SSA). SERS reduces your benefit by the amount you receive for SS disability.

There are specific rules around your benefit if you are approved for SS disability benefits. Contact us as soon as possible if you are approved.

Working while disabled

You can work outside of state government and earn up to the calendar quarterly earnings limitation without disrupting your disability benefit. If you exceed the earnings limitation, you may not be eligible for benefits and you will need to pay the difference in the earnings and the limitation to SERS.

During your disability, you may be contacted regarding your disability, current medical treatment and other daily activities. You may also be asked to undergo an independent medical examination. Your cooperation is vital to the disability investigation process to ensure your benefit is not interrupted.

Nonoccupational disability benefits are available to state employees who are disabled from non-work-related causes and have met the eligibility requirements.

Eligibility

In order to qualify for nonoccupational disability you must have:

- 18 months of creditable service with SERS (Teachers' or State Universities Retirement Systems' service credit can also be used to establish 18 months with SERS).
- Used all accrued sick days.
- Been granted a medical leave of absence from your agency.
- Submitted a medical report to our office by a licensed medical professional.
- SERS find you disabled from performing your assigned job duties.

Benefits start to accrue 31 days after your absence from work, or the day after you were last paid, whichever occurs last. The benefit for Tier 1 members (individual who became a member of SERS or a reciprocal system before 1/1/11) is 50% of your monthly salary in effect on the date you last receive wages from your employer, or your final average compensation, whichever is higher. The benefit for Tier 2 members (individual who became a member of SERS or a reciprocal system after 12/31/10) is 50% of your final average compensation.

You will continue to receive your benefit until one of the following:

- Your disability has ended.
- You return to work or become gainfully employed.
- Your disability payments have been made for a period of time equal to half of your earned service credit.
- If your benefit begins *before* age 60, it will cease at age 65.
- If your benefit begins *at* age 60 or older, it will cease after five (5) years, subject to the one-half service credit limitation.
- You fail to cooperate with SERS.

Every January and July a new medical form is sent to you, which must be completed by your provider. You are not required to have an exam if you've seen your provider within the last two months, however your provider must still complete the form, attach the most recent exam notes and return to SERS. You will also receive a Certificate of Disability form, which must be completed and returned to SERS within 60 days of receipt.

Call SERS at 217-785-7444 if you have questions or need assistance with your disability benefit.

Nonoccupational Disability Checklist

All of the following must apply:

- ☐ You must be granted a medical leave of absence from your employing agency.
- ☐ You must use all accumulated sick time.
- ☐ You must complete a 30-day waiting period beginning on your last day worked (sick time and vacation time can be used to fulfill this requirement).
- ☐ An approved medical leave of absence by your agency does not guarantee your approval for a SERS nonoccupational disability benefit. You must also be deemed disabled by SERS from performing your job duties.

Required forms/documents:

- ☐ A completed Disability Benefit Application (Form 3924_non).
- ☐ A photocopy of your official birth certificate, if not already on file (see Form 3928).
- ☐ A signed Release of Information Authorization (Form 3934). This form must be signed and dated by a witness on the same date as your signature for acceptance.
- ☐ A completed Nonoccupational Disability Medical Report (Form 3114) signed by a licensed healthcare professional.
- ☐ All medical records relevant to the disabling condition and any treatments received. This may include office visit notes, hospital discharge summaries, x-ray and/or MRI results, and any other related test results.
- ☐ If age 66 or older, a completed Unreduced Social Security Pension Estimate (Form 3129).
- ☐ If receiving SSA disability benefits, a copy of the SSA disability benefit award letter.

If SERS deems you have submitted insufficient medical evidence to make a final determination, then processing of your claim will be suspended, and additional medical evidence will be requested from you. SERS will not request or pay for medical evidence from your providers. It is the member's responsibility to provide the necessary documentation in support of their claim.

SERS will contact your agency regarding your payroll information and job description. Your agency cannot complete the required information until a medical leave of absence is granted.

INITIALS

- _____ 1. I authorize SERS to have a representative review my file for the purpose of evaluating the eligibility of qualifying for disability benefits from the Social Security Administration (SSA), and which a representative may contact me concerning the filing of such a claim. If I am receiving disability benefits or I am eligible for a retirement annuity from SSA, I understand that SERS will offset that amount from my SERS benefit.
- _____ 2. **If I receive a SSA retroactive disability award, this will create an overpayment of SERS disability benefits which I will have to pay back to SERS. I will contact SERS as soon as a determination has been made on my SSA claim.**
- _____ 3. I understand that my failure to reimburse SERS from the proceeds of a retroactive SSA disability award will result in SERS withholding any amount due for future disability, death and/or refund claim payments until the overpayment is paid in full. Failure to cooperate may result in an Involuntary Withholding Order being placed with the Illinois Comptroller's Office, or the case being referred to the Attorney General's Office for collection efforts.
- _____ 4. I authorize the exchange of information with licensed medical professionals performing independent medical consultations. I also agree to permit SERS to furnish documentation to the appropriate agency for the purpose of documenting my leave status.
- _____ 5. I hereby certify that I have not been gainfully employed during the time I am claiming disability. I will notify SERS immediately when my disability ceases; or when I return to state employment; or when I accept other gainful employment. I authorize SERS to apply any future disability benefits, pension benefits, death benefits or refund of contributions to any excess disability benefit I may have received until the excess disability benefit is repaid in full.

Return to Work Notice

As stated and initialed on your signed disability benefit application, it is your responsibility to notify SERS of your return to work date. SERS disability benefits cease on the day prior to your return to work and it is imperative you report your return to work in a timely manner.

Failure to report your return to work timely will result in the overpayment of disability benefits that must be repaid to SERS immediately, or will lead to payroll deductions.

Please contact the SERS Call Center at 217-785-7444 or send an email to SERS@srs.illinois.gov to timely report your return to work and avoid an overpayment. The release from your healthcare professional should be provided to your agency.

Gainful Employment Notice

While receiving a disability benefit from SERS, you may not work for the State of Illinois in any capacity.

While receiving a disability benefit from SERS, you may earn up to \$3,660 in gross income per calendar quarter from other employers.

Gross income, which also includes self-employment income, over \$3,660 per calendar quarter will result in the suspension and/or termination of your SERS disability benefits. This also impacts your access to group healthcare insurance and other group insurance benefits.

All disability recipients complete a continuous recertification process where SERS reviews information provided by the Illinois Department of Employment Security. SERS reviews and investigates disability claims continually to minimize fraudulent benefits and claims.

Please be aware that knowingly making a false statement or falsifying a record in an attempt to defraud SERS is a class 3 felony. If the SERS Board of Trustees has a reasonable suspicion that an attempt has been made to defraud SERS, it is required to report the matter to the appropriate State's Attorney for investigation.

Failure to report outside employment and quarterly income above \$3,660 may be considered an attempt to defraud SERS.

If you have any questions about gainful employment, please call the Call Center at 217-785-7444 or send an email to SERS@srs.illinois.gov.

Coordination of Social Security Administration (SSA) Benefits

If you are receiving disability benefits or a retirement annuity from the SSA, please contact SERS immediately if you have not done so already.

In accordance with the Illinois Pension Code, the original monthly gross disability benefit you receive from SERS must be reduced by any monthly benefit you receive from a SSA disability benefit or SSA retirement annuity.

As stated and initialed on your signed disability benefit application, it is your responsibility to notify SERS if you receive a SSA retroactive disability award. If a portion of the award coincides with a period of time you were also paid SERS disability benefits, you have been overpaid. Any overpayment owed to SERS must be repaid immediately, or will lead to benefit and/or payroll deductions.

Failure to comply could result in SERS applying your full benefit payments towards the overpayment. If you are no longer on a SERS benefit, all legal means available will be used to recover the amount due, including but not limited to, withholding of future benefit payments or refunds and involuntary withholding orders.

During the first year you receive SERS disability benefits, you will be contacted by the Disability Section to assist you in filing for SSA disability benefits. This is required if you remain disabled on a SERS benefit beyond 12 months.

Please be aware that knowingly making a false statement or falsifying a record in an attempt to defraud SERS is a class 3 felony. If the SERS Board of Trustees has a reasonable suspicion that an attempt has been made to defraud SERS, it is required to report the matter to the appropriate State's Attorney for investigation.

Payroll Deduction for Optional Service Credit

If you are purchasing optional service credit through payroll deduction, please note that this deduction will cease while you are off the payroll.

Upon returning to work, it is your responsibility to contact your agency's payroll officer immediately to set up a "catch up" schedule. One option is to double the payroll deduction for the number of pay periods that deductions were missed. *(Ex: For 8 deductions of \$15.00 missed payments, the agency may deduct \$30.00 for 8 deductions to catch up the payments.)*

If the payroll deduction agreement ends before you return to work, you will be billed by SERS for the balance due.

Note: *Due to the IRS regulations, the agreement due date cannot be extended for any reason if the payment is being made on a tax-deferred irrevocable payroll deduction basis.*

General Instructions

Section references are to the Internal Revenue Code.

Future developments. For the latest information about any future developments related to Form W-4P, such as legislation enacted after it was published, go to www.irs.gov/FormW4P.

Purpose of form. Complete Form W-4P to have payers withhold the correct amount of federal income tax from your periodic pension, annuity (including commercial annuities), profit-sharing and stock bonus plan, or IRA payments. Federal income tax withholding applies to the taxable part of these payments. Periodic payments are made in installments at regular intervals (for example, annually, quarterly, or monthly) over a period of more than 1 year. Don't use Form W-4P for a nonperiodic payment (note that distributions from an IRA that are payable on demand are treated as nonperiodic payments) or an eligible rollover distribution (including a lump-sum pension payment). Instead, use Form W-4R, Withholding Certificate for Nonperiodic Payments and Eligible Rollover Distributions, for these payments/distributions. For more information on withholding, see Pub. 505, Tax Withholding and Estimated Tax.

Choosing not to have income tax withheld. You can choose not to have federal income tax withheld from your payments by writing "No Withholding" on Form W-4P in the space below Step 4(c). Then, complete Steps 1a, 1b, and 5. Generally, if you are a U.S. citizen or a resident alien, you are not permitted to elect not to have federal income tax withheld on payments to be delivered outside the United States and its territories.

Caution: If you have too little tax withheld, you will generally owe tax when you file your tax return and may owe a penalty unless you make timely payments of estimated tax. If too much tax is withheld, you will generally be due a refund when you file your tax return. If your tax situation changes, or you chose not to have federal income tax withheld and you now want withholding, you should submit a new Form W-4P.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Have social security, dividend, capital gain, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
2. Receive these payments or pension and annuity payments for only part of the year.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you (or you and your spouse) receive. If you do not have a job and want to pay these taxes through withholding from your payments, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Payments to nonresident aliens and foreign estates. Do not use Form W-4P. See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities, and Pub. 519, U.S. Tax Guide for Aliens, for more information.

Tax relief for victims of terrorist attacks. If your disability payments for injuries incurred as a direct result of a terrorist attack are not taxable, write "No Withholding" in the space below Step 4(c). See Pub. 3920, Tax Relief for Victims of Terrorist Attacks, for more details.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you have at least one of the following: income from a job, income from more than one pension/annuity, and/or a spouse (if married filing jointly) that receives income from a job/pension/annuity. The following examples will assist you in completing Step 2(b).

Example 1. Bob, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Bob also has a job that pays \$25,000 a year. Bob has no other pensions or annuities. Bob will enter \$25,000 in Step 2(b)(i) and in Step 2(b)(iii).

If Bob also has \$1,000 of interest income, which he entered on Form W-4, Step 4(a), then he will instead enter \$26,000 in Step 2(b)(i) and in Step 2(b)(iii). He will make no entries in Step 4(a) on this Form W-4P.

Example 2. Carol, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Carol does not have a job, but she also receives another pension for \$25,000 a year (which pays less annually than the \$50,000 pension). Carol will enter \$25,000 in Step 2(b)(ii) and in Step 2(b)(iii).

If Carol also has \$1,000 of interest income, then she will enter \$1,000 in Step 4(a) of this Form W-4P.

Example 3. Don, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Don does not have a job, but he receives another pension for \$75,000 a year (which pays more annually than the \$50,000 pension). Don will not enter any amounts in Step 2.

If Don also has \$1,000 of interest income, he won't enter that amount on this Form W-4P because he entered the \$1,000 on the Form W-4P for the higher paying \$75,000 pension.

Example 4. Ann, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Ann also has a job that pays \$25,000 a year and another pension that pays \$20,000 a year. Ann will enter \$25,000 in Step 2(b)(i), \$20,000 in Step 2(b)(ii), and \$45,000 in Step 2(b)(iii).

If Ann also has \$1,000 of interest income, which she entered on Form W-4, Step 4(a), she will instead enter \$26,000 in Step 2(b)(i), leave Step 2(b)(ii) unchanged, and enter \$46,000 in Step 2(b)(iii). She will make no entries in Step 4(a) of this Form W-4P.

If you are married filing jointly, the entries described above do not change if your spouse is the one who has the job or the other pension/annuity instead of you.

Multiple sources of pensions/annuities or jobs. If you (or if married filing jointly, you and/or your spouse) have a job(s), do NOT complete Steps 3 through 4(b) on Form W-4P. Instead, complete Steps 3 through 4(b) on the Form W-4 for the job. If you (or if married filing jointly, you and your spouse) do not have a job, complete Steps 3 through 4(b) on Form W-4P for **only** the pension/annuity that pays the most annually. Leave those steps blank for the other pensions/annuities.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. Including these credits will increase your payments and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include amounts from any job(s) or pension/annuity payments. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than

having tax on other income withheld from your pension, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 6, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions.

This includes itemized deductions, the additional standard deduction for those 65 and over, and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from **each payment**. Entering an amount here will reduce your payments and will either increase your refund or reduce any amount of tax that you owe.

Note: If you don't give Form W-4P to your payer, you don't provide an SSN, or the IRS notifies the payer that you gave an incorrect SSN, then the payer will withhold tax from your payments as if your filing status is single with no adjustments in Steps 2 through 4. For payments that began before 2024, your current withholding election (or your default rate) remains in effect unless you submit a new Form W-4P.
