What is system reciprocity?

The Illinois Retirement Systems Reciprocal Act gives retiring Illinois public employees the option to use service credit earned within the public retirement systems listed in this fact sheet toward a benefit calculated based upon combined pension service between funds.

To use the provisions of the Reciprocal Act, the systems will exchange information regarding service credits, earnings and other important information to determine payable benefits.

Earning service credits

Service credits are earned based on the amount of time you participate in a retirement system. Service credit established in all retirement systems is considered under the Reciprocal Act, with the exception of the following:

- credit of less than one year (12 months) of participation in any system, except credit earned by teacher's aides in IMRF (check with your IMRF representative for specific provisions on this rule);
- credits that have been forfeited by accepting a refund, but have not been repaid; and
- credits that have already been applied toward a retirement pension.

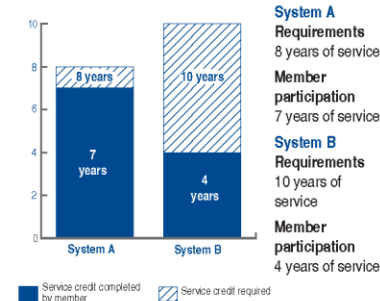

Benefits of reciprocity

You can decide if you want to combine your service credits or retire independently under each individual system. In both scenarios, you must meet the qualifications of each individual retirement system before you are eligible to earn a pension, but combining service credits can potentially give you enough total service credits to qualify in a system that you might not have enough credits for otherwise (Example 1).

Because of the ability to use your service credits among reciprocal systems, you could have a larger combined pension and/or begin drawing benefits earlier than if you retire from each system independently.

Reciprocal Systems (Cont'd)	
Slate Universities Retirement System 1901 Fox Drive Champaign, IL 61820-7333	surs.org 800-275-7877 Fax: 217-378-9800
Teachers' Retirement System 2815 W. Washington St., P.O. Box 19253 Springfield, IL 62794-9253	trsil.org 877-927-5877 Fax: 217-753-0394

Example 1: The benefit of time

This member wouldn't have enough service credit to retire independently in either system.

However, under reciprocity the member's combined service credit is 11 years, which qualifies the member for a proportional pension from each system (assuming the member meets all other system requirements for eligibility).

Example 2: The potential of a higher benefit

A member has 12 years of service with a final average compensation (FAC) of \$1,600 per month with System A, and 20 years of service with a FAC of \$2,400 per month with System B.

System A has a flat rate formula of 1.67% for each year of service. $1.67\% \times 12 = 20.04\%$ $20.04\% \times \$1,600 \text{ (FAC)} = \$320.64/\text{month}$	Total combined benefit of \$1,161.84 Now let's see what the benefit would be when calculated with reciprocity: $1.67\% \times 12 = 20.04\%$ $20.04\% \times \$2,400 \text{ (highest FAC for both systems)} = \$480.96/\text{month}$
System B has a step-rate formula of 1.67% for each year of the first 15 years and 2% for each year after. $1.67\% \times 15 = 25.05\%$ $2\% \times 5 = 10.00\%$ 35.05% $35.05\% \times \$2,400 \text{ (FAC)} = \$841.20/\text{month}$	
	$1.67\% \times 3 = 5.01\%$ $2\% \times 17 = 34.00\%$ 39.01% $39.01\% \times \$2,400 \text{ (FAC)} = \$936.24/\text{month}$ Total combined benefit of \$1,417.20 with reciprocity

If you choose to combine your service credits using reciprocity, you must meet the highest minimum qualification of all systems involved. Each system looks at combined service credits and earnings, paying their share of the pension accordingly. The highest final average compensation (FAC) from all systems is used to calculate your benefit, but each system uses its own formula to determine the amount you'll receive from them, including annual increases (Example 2).

Concurrent service

If a member is granted service credit by multiple funds for a given period of time, adjustments are made to ensure the member does not receive service credit from both systems for the same period of time.

If you contribute to multiple systems in the same month, it's not legally permitted to earn more than one-month's service credit during that time.

Reinstating service credits

If you previously participated in a reciprocal system and took a refund when you separated service, you will need to reinstate your service credit in order to include it in your reciprocal benefit.

You can do this by repaying the refunded amount after a minimum of two years with another retirement system, but it must be reinstated while you're still a contributing member under the Reciprocal Act.

Pension estimates

You can receive an estimate of your benefit by submitting a request to the most recent system with which you're employed. Include information about all systems you participated in, as well as your estimated retirement date.

Applying for benefits

If you'd like to apply for benefits under the Reciprocal Act, you should:

- request an application from each system you participated in a minimum of 60 days before your planned retirement date; and
- return the completed forms to each system, requesting reciprocity provisions.

Returning to work

If you have started receiving retirement benefits but return to work with one of the reciprocal systems paying a pension to you, all systems may suspend payments based on direction from the employing system.

Once your employment ends, the pension payments will be reinstated. Each system will determine if your benefit needs to be recalculated to add the additional service credits earned.

Disability

- Nonoccupational
- Occupational
- Temporary

Occupational Disability

Work-Related Injury or Illness

Requirements:

- Be a member of SERS.
- File a claim with Workers' Compensation and receive benefits or a settlement.
- File the required forms with SERS.
- Members DO NOT have to use any benefit time to receive an occupational disability benefit.

Occupational Disability

- Can receive 75% of your Final Average Compensation or monthly salary at the time of injury, whichever is higher, for Tier 1, 75% of FAC for Tier 2 in total benefits.
- SERS will offset the difference between what Workers' Compensation pays to get to 75% of the member's monthly rate of pay or FAC.
- The member is not required to use sick time

Occupational Disability Ends

- Your disability ends, when your doctor releases you.
- You resume employment
- Workers' Compensation TTD payments end
- You reach age 65
- If your disability begins after age 60, benefits are payable up to 5 years.

If your WC claim was denied or if WC stops paying you and you're still disabled, you **MUST** file for Temporary disability benefits.

SERS will pay occupational disability while the member is receiving Temporary Total Disability (TTD) from WC or if a member has received a settlement.

WC claims for State employees are handled by Gallagher Bassett. Employees of the Toll Highway are handled by CorVel.

Once WC starts paying the member, then SERS can start paying benefits.

Remember

- If you were denied by Workers' Comp., you need to apply for SERS Temporary disability benefit.
- To receive Temporary Disability benefits, members have a 30-day waiting period from their date last paid by their agency.
- Not required to use sick days.

Temporary Disability

- Is only an option for members who have had their Workers' Comp. claim denied or their TTD benefits suspended or terminated.
- Must have 18 months of creditable service with the state (Can use SURS or TRS time).
- Must complete the required packet and be found disabled by SERS.
- If member was receiving TTD benefits and WC stopped paying, SERS can begin paying the next day.
- Will be required to submit forms showing they are appealing their WC denial.
- Can only be on benefit for $\frac{1}{2}$ the time they have worked for the state.
- Member can only be on the benefit until age 65
- If benefit started after age 60, the member must have at least 10 years of service.

When a WC claim is denied

- If WC denies a claim and the member is NOT going to appeal the decision, they can apply for a nonoccupational benefit.
- They MUST submit a letter to SERS stating they are not appealing their denial.
- The letter MUST say that they are not now, and will not in the future, seek any compensation from the Illinois Workers' Compensation Commission for their injury or illness.

Nonoccupational Disability

- Disability resulting from causes not related to your occupation.
- Must be granted a medical leave of absence approved by your agency.
- Must use all your accumulated sick leave.
- Must be absent from work for 30 or more days to begin receiving a nonoccupational benefit.
- 18 months credited service. Only SURS and TRS reciprocal time can be used for eligibility.
- Must submit the required forms and be found to be disabled by SERS.

Nonoccupational Disability

How Long Can I Stay on
Nonoccupational Disability?

- Eligible for 1/2 of your active service credit.

Example: worked 10 years, is eligible for
disability benefits for 5 years

Nonoccupational Disability Ends

- You resume employment
- Your disability ends, your doctor releases you
- You exhaust one-half of your credited service
- If your disability begins after age 60, benefits are payable up to 5 years for Tier 1 members as long as they have at least 10 years of credited service.

Nonoccupational Terminated After ½ Time Ceasing

If a nonoccupational benefit is terminated because of ½ time ceasing, but the member is still disabled, they are eligible for an unreduced pension if:

- Member is 60 and has 8 years of credited service
- Member is 55 and has 15 years of credited service
- Member is 50 and has 20 years of credited service
- Member is not eligible to receive a COLA until age 60.

Nonoccupational Disability

How much am I allowed to receive?

- **Tier 1** – 50% of your FAC or total monthly rate of pay, whichever is higher.

Pregnancy and Nonoccupational Disability

Members now receive 12 weeks of maternity leave. Most will no longer qualify for SERS' Non-Occ disability benefit. If the member has a medical condition that would keep her off work after the maternity leave, the member will need to supply medical evidence to support inability to return to work.

This does not apply to Tollway employees.

Early Pregnancy Leave

Members who are taken off work for a medical condition prior to delivery can apply for SERS' Non-Occ disability. They must exhaust all sick time, supply medical evidence of their need to be off work, and must be off work more than 30 days prior to the birth of the baby to qualify.

Occupational, Temporary, & Nonoccupational Disability

While receiving a disability benefit with SERS, your service credit continues to be applied to your account as if you were working.

That way you will not be missing service credit when you are ready to retire. Please keep in mind, if you did not have enough benefit time to cover the 30-day waiting period, you may want to purchase that time after returning to work.

My Agency wants me to resign?

- Members may resign from their agency and remain on SERS disability benefits as long as they are still disabled and continue to meet the SERS eligibility requirements.
- Members must be established on SERS disability benefit BEFORE they resign from their agency.
- The resignation allows the agency to post and fill your position.
