Employer Dashboard

The Employer Dashboard is your homepage as an employer. The dashboard gives you a brief synopsis of what you have access to on the site.

You can access the Employer Dashboard by clicking on the Dashboard icon in the main menu bar.

Announcements will be displayed at the top of the dashboard, providing notifications of system-wide changes and events. An announcement can be dismissed by clicking the x in the upper right-hand corner of the announcement.

Notifications will provide the total count of messages in your inbox and specify any unread messages.

You will have access to various employer functionalities and the counts based on status. You have access to **Service Purchase Estimate Requests, Tier Determination Requests, Returned to Work Retirees and Employees on Disability.**

At the bottom, legal Terms & Conditions of the SRS Member Services website are available to review.
