Welcome!

On January 17, Rene Horn joined the Field Services Division, replacing Vickie Haas who retired October 31. Rene transferred from the SERS Vouchering Section where she was an Office Coordinator. She's worked at SERS for three and one-half years, and has worked for the State for almost 12 years. You can contact Rene at

217-785-6979 or by email at rene.horn@srs.illinois.gov

Disability Packets

Retirement Coordinators please remember that an employee does not have to wait 30 days to request a non-occupational disability packet. The 30-day waiting period does not have to be served prior to requesting a packet. As soon as the employee knows when the physician is taking them off work, a packet can be requested.

1st Quarter SERS Workshops (Jan - Mar)

Because of low enrollment in many of our pre-retirement workshops, we are asking for your help in marketing these workshops to your employees. Please visit our website for the any of the workshops in your area:
